the interactive discovery based units for high ability learners for grades 6 8 provide

teachers with opportunities to deliver content in exciting new contexts these engaging curriculum units culminate in real world activities that provide students with open ended opportunities to demonstrate academic understanding each book in the series contains tiered lessons that teachers can easily modify to meet individual students needs what s your opinion uses debate to extend students abilities to analyze and interpret informational texts strengthen students reading strategies and fluency and help students develop persuasive speaking and writing skills grades 6 8

this activity book from the center for gifted education at william mary provides gifted and advanced learners challenging activities to master and engage with the common core state standards for english language arts through four mini units each mini unit is packed with activities and practice problems that enrich and extend grade level ela content for grade 3 included texts have messages and characters that are developmentally suitable for students through higher order reasoning questions resulting discussions and student created products associated with these texts gifted and advanced students needs are met while still maintaining messages and characters to which students can relate students will be exposed to themes such as choices culture beliefs and perseverance each theme was chosen with advanced third grade students in mind and their emerging need to learn more about themselves their world and how to work through adversity to accomplish their goals

as ralph waldo emerson states the secret of education lies in respecting the pupil bradley daniels jones 1960 p 242 many educators find their classrooms filled with students of diverse cultures yet the curriculum provided for these students does not allow them to identify with the texts in order for an educator to respect his her students and show that he she is consciously aware of their culture he she must investigate further into the students homes cultures and lives by doing so educators can create a culturally responsive classroom by attaining culturally relevant texts using culturally responsive teaching strategies and creating or modifying curriculum to meet the needs of those students educators must ensure that all modifications remain connected to federal or state standards this language arts unit has been developed in response to a one size fits all curriculum and a growing need for students of color to be successful in their academics the lessons found in the appendix are connected to california state standards and require a teacher to decide if he she will use this as a supplementary curriculum or as an independent resource to improve students understanding of the chosen standards found in the appendix

there is a lot more value to be found in video games than what is traditionally considered educational video games can do more than just build one s literacy it can teach mechanics problem solving rules narrative speaking and even foster relationships with others this book offers an in depth look at what an entire english language arts unit focused on video games in the classroom can look like included is a

full 30 day unit utilizing the video games what remains of edith finch gone home as central texts students will be tasked to play both games and identify and analyze the many literary elements and rhetorical devices found across both games a full unit plan and 30 individual lesson descriptions act as your teaching guide also included is a debrief of how each lesson went with my own students with student completed handouts attached when i first decided to pursue a career in education my close friends joked that i would be the teacher who watched movies and played video games with his students i always knew in the back of my mind that both of those activities especially video games could be a real asset my hope in writing this book is that you and other educators will be both inspired and prepared to teach with video games in your own classroom

how to ensure your ela teaching sticks one thing we know for certain the common core will become yet another failed initiative unless our curriculum provides a clear unambiguous picture of how to teach for understanding the solution a concept based curriculum where can you learn how to create one designing a concept based curriculum in english language arts fusing lynn erickson s groundbreaking curriculum model with implementation guidelines and sample units this important new book will put you on the fast track to using concept based curriculum in your school or district lanning shows you how to design a curriculum that functions as a framework for lesson plans unites the efforts of ela teachers district wide addresses core standards while focusing on student understanding creates a ripple effect helping to align curriculum assessments and instruction lois lanning s new book is a clear practical insightful game changer for teachers who want to move beyond collections of facts or lists of standards to authentic meaning rich curriculum i would have been a much better english language arts teacher with these ideas clear in my thinking and my students would have been much better served carol ann tomlinson william clay parrish jr professor curry school of education university of virginia lanning s experience and wisdom allow her to see the big picture when it comes to teaching kids about the big ideas we want them all to grapple with in the course of their time in schools jim burke author of the english teacher s companion

the first books to present specific guidance for teaching the common core state standards forty three states plus the district of columbia and the u s virgin islands have signed on to adopt the common core state standards ccss the need for curriculum guides to assist teachers in helping students meet these standards has become imperative created by teachers for teachers the research based curriculum maps in this book present a comprehensive coherent sequence of thematic units for teaching the skills outlined in the ccss for english language arts in grades k 5 the maps address every standard in the ccss yet are flexible and adaptable to accommodate diverse teaching styles each grade is broken down into six units that include focus

standards suggested works sample activities and assessments lesson plans and more teachers can use the maps to plan their year and craft their own more detailed lesson plans any teacher school or district that chooses to follow the common core maps can be confident that they are adhering to the standards

this book from the center for gifted education at william mary provides gifted and advanced learners challenging activities to master and engage with the common core state standards for english language arts through four mini units each mini unit is packed with activities that enrich and extend grade level ela content for grade 4 included texts have messages and characters that are developmentally suitable for students through higher order reasoning questions resulting discussions and student created products associated with these texts gifted and advanced students needs are met while still maintaining messages and characters to which students can relate students will be exposed to themes such as improvement change nature and the human spirit and struggle each theme was chosen with advanced fourth grade students in mind and their emerging need to learn more about themselves their world and how to work through adversity to accomplish their goals grade 4
